#### Product description

Zettex Stainless Steel Spray is a water free light duty cleaner and polish for stainless steel where it is designed to remove light contamination and stains and to leave a thin, temporary, glossy protective film.

#### Product properties

- High gloss
- Non-abrasive, no-scratching.
- Inert composition, acid/alkali free.
- Silicone free
- Leaves a thin protective layer to prevent soil adhesion and to assist subsequent cleaning.
- Pleasant lemon fragrance.

#### Applications

You can use the Zettex Stainless Steel Spray for domestic and industrial applications. This product is also suitable for treating chromium plated and aluminium surfaces. Please don't use where overspray onto treated or polished surfaces may cause slippage and potential accidents.

Shake can thoroughly, and spray sparingly onto the surface from a distance of 15 - 30cm. Wipe the surface with a clean soft dry cloth, buffing to a clean, shiny finish.

#### Packaging

Aerosol 500 ml

#### Colour

Transparent

#### Safety recommendations

Make sure you have read our MSDS (Material Safety Data Sheet) before using this product.

Properties	Specification
Appearance	Clear colourless liquid
pH	Not applicable
Specific Gravity	0.900 +/-0.0.010
Flammability, as supplied	Extremely flammable, flash point below -20
Composition Data	A solution of a highly refined technical white oil in naphtha [petroleum], hydrotreated heavy in butane/isobutane/propane propellant.
Non Volatiles % m/m	30-40
Service temperature	Designed for use at ambient temperatures.
Active content % m/m , as supplied	70-80
Viscosity	Thin Liquid
